DECLARATION**

Trial setting conference

Date: 25 March 2025

Time: 10:00 A.M.

Courtroom: 1668

Judge: Hon. Barry Russell

**REPLY DECLARATION OF DR. LUCAS MURREY**

I, Dr. Lucas Murrey, declare:

1. That I am the plaintiff in this action; that I am over the age of 18 years and  
that I have personal knowledge of the facts contained in this declaration. If

1 called upon to testify I could and would testify competently as to the truth  
2 of the facts stated herein.

3  
4 2. This reply-declaration is submitted in support of plaintiff's adversary  
5 complaint against defendant Ms. Amy Blalock per the schedule issued by  
6 this court.

7  
8 3. Defendant Ms. Blalock failed to provide any evidence in support of her  
9 malicious statements about me.

10  
11 4. Instead of providing any evidence to show that her statements about me  
12 were true, Ms. Blalock's declaration is focused narrowly on objecting to  
13 paragraphs of my own declaration and its exhibits.

14  
15 5. Paragraph five (5) of Ms. Blalock's declaration frivolously seeks to object  
16 to Exhibit I of my declaration; but Ms. Blalock only provides  
17 unsubstantiated and conclusory opinions without any evidentiary support  
18 and therefore needs be disregarded.

19  
20 6. Paragraph eight (8) of Ms. Blalock's declaration frivolously seeks to  
21 object to the same numbered paragraph 8 of my declaration; but Ms.  
22 Blalock only provides unsubstantiated and conclusory opinions without  
23 any evidentiary support and therefore needs be disregarded.

24  
25 7. Paragraph nine (9) of Ms. Blalock's declaration frivolously seeks to object  
26 to the same numbered paragraph 9 of my declaration; but Ms. Blalock only  
27 provides unintelligible, unsubstantiated and conclusory opinions without  
28

1 any evidentiary support and therefore needs be disregarded. Further, it is  
2 clear that Ms. Blalock made her statements about me intentionally with  
3 malice. This is why she never gave me notice of her statements about me  
4 to me, why she kept them hidden, why did not do any due diligence prior  
5 to publishing them, and why she published them in Facebook groups that  
6 she knew I could not join i.e. so I would not be able to defend myself.  
7

8 Finally, as this court is aware, Ms. Blalock made her statements about me  
9 in the context of many other similarly malicious statements because she  
10 sought to harm me via this cyberbullying conspiracy and get away with it.  
11

12  
13 8. Paragraph ten (10) of Ms. Blalock's declaration frivolously seeks to object  
14 to the same numbered paragraph 10 of my declaration; but Ms. Blalock  
15 only provides unintelligible, unsubstantiated and conclusory opinions  
16 without any evidentiary support and therefore needs be disregarded.  
17

18 Further, defendant continues to fail to explain what she meant when she  
19 wrote in regard to my alleged dating life: "never go to a second location!"  
20

21 Blalock fails because she is unable to evade the truth that she intended to  
22 maliciously portray me as a very dangerous and even murderous person. It  
23 is clear that Blalock made these statements with malice. This is why she  
24 never gave me notice of her statements and why she published them in  
25 Facebook groups that she knew I could not join. Ms. Blalock made her  
26  
27  
28

1 statements in the context of many other similarly harmful statements  
2 because she sought to harm me and get away with it.

3  
4 9. Paragraph eleven (11) of Ms. Blalock's declaration frivolously seeks to  
5 object to the same numbered paragraph 11 of my declaration; but Ms.  
6 Blalock only provides unintelligible, unsubstantiated and conclusory  
7 opinions without any evidentiary support and therefore needs be  
8 disregarded. Further, defendant continues to fail to explain what she meant  
9 when she wrote that I would end up on dateline, a TV show that showcases  
10 serial killers and/or other serious criminals. It is clear that Ms. Blalock  
11 made this statement with malice. This is why she never gave me notice of  
12 her statements and why she published them in Facebook groups that she  
13 knew I could not join. Finally, Ms. Blalock made her statements in the  
14 context of many other similarly harmful statements because she sought to  
15 injury my reputation and get away with it.

16  
17 10.Paragraph twelve (12) of Ms. Blalock's declaration frivolously seeks to  
18 object to the same numbered paragraph 12 of my declaration; but Ms.  
19 Blalock only provides unintelligible, unsubstantiated and conclusory  
20 opinions without any evidentiary support and therefore needs be  
21 disregarded.

22  
23 11.If it turns out that Ms. Blalock is involved in and/or knows about such a  
24 documentary, then her perjurious declaration would make a mockery of  
25  
26  
27  
28

1 this court. This is shown in Ms. Blalock's verified responses to my  
2 requests for admission ("RFAs"), in particular Blalock's response to RFA  
3 no.s 5 (Exh. 5 to my original declaration to which she replied) wherein  
4 Blalock admits to having received money from her GoFundMe webpage.  
5 Blalock has received money and profited from her severe defamation of  
6 my person (see Exh. 4 to my original declaration).  
7  
8

9 12.I do not know and I have never met Ms. Shariat. I have never stalked  
10 anyone in my life, much less Shariat.  
11

12 13.Because Ms. Blalock has a clear history of profiting from the harm that  
13 she caused to my reputation, her response to my paragraph 12 needs to be  
14 disregarded. Her failure to be transparent here and her multiple  
15 contradictions as shown with evidence and verified responses, shows  
16 Blalock's lack of credibility. It is clear that Ms. Blalock made the above-  
17 noted statements about my person with malice. This is why she never gave  
18 me notice of her statements and why she published them in Facebook  
19 groups that she knew I could not join. Further, Ms. Blalock made her  
20 statements in the context of many other similarly harmful statements  
21 because she sought to injury my reputation and get away with it.  
22  
23  
24

25 14.Paragraph thirteen (13) of Ms. Blalock's declaration frivolously seeks to  
26 object to the same numbered paragraph 13 of my declaration; but Ms.  
27 Blalock only provides unintelligible, unsubstantiated and conclusory  
28

1 opinions without any evidentiary support and therefore needs be  
2 disregarded. It is clear that Ms. Blalock made these statements about my  
3 person with malice. This is why she never gave me notice of her  
4 statements and why she published them in Facebook groups that she knew  
5 I could not join. Further, Ms. Blalock made her statements in the context  
6 of many other similarly harmful statements because she sought to injury  
7 my reputation and get away with it.  
8

9  
10 15.Paragraph fourteen (14) of Ms. Blalock's declaration frivolously seeks to  
11 object to the same numbered paragraph 14 of my declaration; but Ms.  
12 Blalock only provides unintelligible, unsubstantiated and conclusory  
13 opinions without any evidentiary support and therefore needs be  
14 disregarded. By admitting that Blalock lied in said AWDTSF Facebook  
15 groups about recording me in secret, Blalock is admitting that she has no  
16 credibility and that she was only lying about me and harming me online to  
17 get attention for herself – and from which she profited. It is clear that Ms.  
18 Blalock made these statements about my person with malice. This is why  
19 she never gave me notice of her statements and why she published them in  
20 Facebook groups that she knew I could not join. Finally, Ms. Blalock  
21 made her statements in the context of many other similarly harmful  
22 statements because she sought to injury my reputation and get away with  
23 it.  
24  
25  
26  
27  
28

1 16.Paragraphs fifteen and sixteen (15-16) of Ms. Blalock's declaration

2 frivolously seeks to object to the same numbered paragraphs 15-16 and  
3 Exhibit 3 of my declaration; but Ms. Blalock only provides unintelligible,  
4 unsubstantiated and conclusory opinions without any evidentiary support  
5 and therefore needs be disregarded. By admitting that Blalock lied in said  
6 AWDTSF Facebook groups about recording me in secret, Blalock is  
7 admitting that she has no credibility and that she was only lying about me  
8 and harming me online to get attention for herself – and from which she  
9 profited. None of these events ever happened and Blalock is  
10 misrepresenting me for her own benefit. It is clear that Ms. Blalock made  
11 these statements about my person with malice. This is why she never gave  
12 me notice of her statements and why she published them in Facebook  
13 groups that she knew I could not join. Finally, Ms. Blalock made her  
14 statements in the context of many other similarly harmful statements  
15 because she sought to injury my reputation and get away with it.

16  
17  
18  
19  
20  
21 17.In paragraph 17 Blalock openly lies to this court under oath and thus

22 perjures herself. Blalock provided verified responses to my RFAs wherein  
23 she admits that she lied about recording me online (see Exh. 5: Blalock's  
24 responses to RFAs no.s 2, 15). This means that Blalock is aware that the  
25 facts about which she wrote online were certainly not the truth, nor her  
26 opinions.  
27  
28

1 18.Paragraphs eighteen and nineteen (18-19) of Ms. Blalock's declaration  
2 frivolously seeks to object to the same numbered paragraphs 18-19 and  
3 Exhibit 4 of my declaration; but Ms. Blalock only provides unintelligible,  
4 unsubstantiated and conclusory opinions without any evidentiary support  
5 and therefore needs be disregarded. In particular, Blalock lies to the court  
6 under oath and commits perjury once again. As noted above, evidence  
7 shows that Blalock published said GoFundMe webpage, fixed her  
8 signature to it and included in this publication that was shown to billions  
9 world-wide defamatory stories about plaintiff stalking Shariat (see Exh. 4  
10 to my original declaration). If she did not sign her name to the publication  
11 of this webpage, then who did? Blalock fails to explain how her name  
12 appeared on said GoFundMe publication, much less does she explain who  
13 put her name there? Said GoFundMe webpage was published for a year  
14 and shown to billions of viewers with Blalock's name on it. There are  
15 other defendants to this case who did not put their name on it, such as  
16 defendant Michal Ofek. So why did Blalock put her name on this  
17 publication while Ofek did not? If Blalock is claiming that someone else  
18 fraudulently signed her name, then who and why does Blalock fail to  
19 mention this? The truth is that Blalock did publish this harmful statement  
20 with several others and by now Blalock has lied about this and several  
21 other facts to this court. **The webpage clearly suggests that these persons,**

**Blalock included, banded together to co-publish said webpage, including its defamatory statements and images and representations shown to billions world-wide. Nowhere does said webpage state that the names affixed to were somehow not linked to its publication, for which they all conspicuously stood. Otherwise, why do these names appear at all at the bottom of this publication where traditionally author(s) sign his or her names?** Blalock's explanation is juvenile and absurd and she is just

seeking to evade responsibility co-authoring said GoFundMe publication. Further, Blalock fails to mention that Shariat is currently being sued in the original case (LASC case no. 23STCV14890) and that Blalock failed to do any due diligence about what she said about me and stalking prior to her publications. Blalock did this to injure my person. Finally, Blalock claiming that she never knew that she earned Facebook points is also absurd and only shows that discovery is needed as this case moves forward.

19.Paragraphs twenty through twenty-two (20-22) of Ms. Blalock's declaration frivolously seeks to object to the same numbered paragraphs 20-22 and Exhibit 5 of my declaration; but Ms. Blalock only provides unintelligible, unsubstantiated and conclusory opinions without any evidentiary support and therefore needs be disregarded. It is clear that Ms. Blalock made these statements about my person with malice. This is why

1 she never gave me notice of her statements and why she published them in  
2 Facebook groups that she knew I could not join. Finally, Ms. Blalock  
3 made her statements in the context of many other similarly harmful  
4 statements because she sought to injure my reputation and get away with  
5 it.  
6

7  
8 20.Paragraphs twenty-three through twenty-five (23-25) of Ms. Blalock's  
9 declaration frivolously seeks to object to the same numbered paragraphs  
10 23-25 of my declaration; but Ms. Blalock only provides unintelligible,  
11 unsubstantiated and conclusory opinions without any evidentiary support  
12 and therefore needs be disregarded. It is clear that Ms. Blalock  
13 intentionally made her statements about my person with malice and in the  
14 context of the other statements made by other members. In fact, all of  
15 Blalock's statements are in conjunction with and/or in response to the  
16 other statements in said AWDTSF Facebook groups mentioned here. For  
17 instance, most of Blalock's statements were in response to those made by  
18 Kelly Gibbons who is currently being sued and facing terminating  
19 sanctions in the original case to which Blalock belongs (LASC case no.  
20 23STCV14890). This is why neither Blalock nor her co-conspirators ever  
21 gave me notice of her and their statements and why they published them in  
22 Facebook groups that they knew I could not join.  
23  
24  
25  
26  
27  
28

1 21.Paragraphs twenty-six through thirty-one (26-31) of Ms. Blalock's  
2 declaration frivolously seeks to object to the same numbered paragraphs  
3 26-31 of my declaration; but Ms. Blalock only provides unintelligible,  
4 unsubstantiated and conclusory opinions without any serious evidentiary  
5 support and therefore needs be disregarded. Said original case was filed in  
6 June of 2023 and Blalock was well aware of it prior to filing bankruptcy in  
7 the middle of November of 2023 i.e. almost six (6) months later. In fact,  
8 Blalock's evidence only proves that she was aware of this case long before  
9 she contemplated filing bankruptcy. Blalock also aggressively evaded  
10 service of the 2023 lawsuit before 15 November 2023 and later I found a  
11 way to have her properly served.  
12

13 22.Paragraph thirty-two (32) of Ms. Blalock's declaration frivolously seeks to  
14 object to the same numbered paragraph 32 of my declaration; but Ms.  
15 Blalock only provides unintelligible, unsubstantiated and conclusory  
16 opinions without any evidentiary support and therefore needs be  
17 disregarded. As show in Ms. Blalock's verified responses to my requests  
18 for admission ("RFAs"), in particular Blalock's response to RFA no.s 5  
19 (Exh. 5 to plaintiff's original declaration) wherein Blalock admits to  
20 having received money from her GoFundMe webpage, Blalock has  
21 received money and profited from her severe defamation of my person  
22 (see Exh. 4 to my original declaration). This means that Blalock is lying  
23  
24  
25  
26  
27  
28

1 under oath in her declaration and perjuring herself and thus committing  
2 fraud upon this court.

3  
4 23. As noted above, evidence shows that Blalock published said GoFundMe  
5 webpage, fixed her signature to it and it included defamatory stories about  
6 plaintiff stalking Shariat (see Exh. 4 to my original declaration). Blalock  
7 fails to explain how her name appeared on said GoFundMe publication,  
8 much less does Blalock explain who put her name there while she knew  
9 about this for months and profited from it and billions saw it world-wide,  
10 if it was not Blalock who signed this publication. The truth is that Blalock  
11 did publish this harmful statement with several others and by now  
12 defendant has lied about this and several other facts to this court. The  
13 GoFundMe webpage clearly suggests that Blalock and others  
14 intentionally co-published said webpage, including its defamatory  
15 statements and images and representations. Nowhere does said webpage  
16 state that the names affixed to it are somehow not responsible for its  
17 publication, especially as other defendants then such as Michal Ofek  
18 refused to sign this publication. Blalock's explanation is absurd and she is  
19 seeking to evade responsibility for participating in the authorship of said  
20 GoFundMe publication. Further, Blalock fails to mention that Shariat is  
21 currently being sued in the original case (LASC case no. 23STCV14890).  
22 Blalock also failed to state that she failed to do any due diligence prior to  
23  
24  
25  
26  
27  
28

1 her publications to injure plaintiff. Finally, Blalock claiming that she never  
2 knew that she earned Facebook points is also absurd. This shows that  
3 plaintiff has a right to do discovery in this case as it moves forward.  
4

5 24.Paragraphs thirty-three through thirty-five (33-35) of Ms. Blalock's  
6 declaration frivolously seeks to object to the same numbered paragraphs  
7 33-35 of my declaration; but Ms. Blalock only provides unintelligible,  
8 unsubstantiated and conclusory opinions without any evidentiary support  
9 and therefore needs be disregarded. It is clear that Ms. Blalock  
10 intentionally made her statements about my person and reputation with  
11 malice and in the context of the other statements made by other members.  
12 It is also clear that Blalock profited from her defamation and cyberbullying  
13 of my person, as noted above and shown by her own verified responses  
14 and evidence provided herein. All of Blalock's statements are in  
15 conjunction with and/or in response to the other defamatory statements  
16 mentioned here. This is why neither Blalock nor her co-conspirators ever  
17 gave me notice of her and their statements and why they published them in  
18 Facebook groups that they knew I could not join.  
19

20 25.Paragraphs thirty-six through thirty-eight (36-38) of Ms. Blalock's  
21 declaration frivolously seeks to object to the same numbered paragraphs  
22 36-38 of my declaration; but Ms. Blalock only provides unintelligible,  
23 unsubstantiated and conclusory opinions without any evidentiary support  
24  
25  
26  
27  
28

1 and therefore needs be disregarded. The books I have published are from  
2 2014 and 2015 i.e. prior to this decade-long defamation and cyberbullying  
3 to which Blalock significantly belongs. But my recent articles that I have  
4 published I have done so to make this information free to the public and  
5 this includes my necessary and legitimate struggle to rehabilitate my  
6 reputation after said cyberattack. Any donations and/or support I have  
7 received have been extremely modest, especially when considered in  
8 contrast to the money and career harm I have lost and suffered,  
9 respectively. Blalock's harm to my identity and career is severe and has  
10 caused me to lose many significant opportunities. Most colleges and  
11 universities hiring professors will not hire anyone undergoing such a  
12 cyber-attack online. If not for Blalock's obsession with harming me and  
13 because she could not leave me alone, I would have made significantly  
14 more money and had many more job opportunities than I have had.

15  
16  
17  
18  
19  
20 26. A true and correct copy of an excerpt of a recent article I have published  
21 that shows my continuing struggle to confront the serious attack on my  
22 identity as a result of Blalock and others' behavior, their statements and  
23 their GoFundMe webpage that they promoted to billions of viewers during  
24 their national and international media smear-campaign from early 2024 is  
25 attached hereto as Exhibit 12. Their media smea-campaign in particular  
26 has forced me to leave my private life behind and have to explain myself  
27  
28

1 to the public to a certain degree, just to be able to live my life with some  
2 peace.

3  
4 27.It is clear that Ms. Blalock intentionally sought to maliciously harm me  
5 and that she intentionally contributed to a serious cyber-attack on my  
6 person and reputation.

7  
8 28.Evidence shows Blalock even profited from said harm.

9 29.The new lawsuit to which Blalock refers includes causes of action against  
10 Blalock for her defamation of my person on said GoFundMe webpage.  
11 Because Blalock publish this defamatory webpage AFTER I had filed my  
12 2023 lawsuit against her, it remains as a separate set of issues from this  
13 original lawsuit.  
14

15  
16 30.Thus I have every right to file this new lawsuit against Blalock for her  
17 defamation of my person with others on her GoFundMe webpage and  
18 where Blalock published the false story of stalking regarding Shariat.  
19

20 31.Blalock's co-conspirators with whom she published said severely harmful  
21 GoFundMe webpage was promoted by Blalock and her co-conspirators on  
22 national and international news media outlets to billions of viewers.  
23

24 32.This further makes my new lawsuit against Blalock for this narrow set of  
25 new issues wholly legitimate.  
26  
27  
28

1 33. Blalock's secret and malicious severe harm to my person and reputation  
2 raises the further question and thus the issue of punitive damages: Who else  
3 has Blalock harmed in secret online that she is hiding?  
4

5  
6 I declare that under penalty of perjury under the laws of the United States that  
7 the foregoing is true and correct; executed on 27 February 2025 in Los Angeles,  
8 California.

## **EXHIBIT 12**

Who I am,  
and what I suspect happened to me

by  
Dr. Lucas Murrey  
19 February 2025

I.  
Introduction

In 2023 I realized that I was the victim of a cyber-attack. Hundreds of *anonymous* Facebook accounts had been working in secret to destroy my life. They accused me of murder, fraud, having STDs and anything else you might imagine. I filed a lawsuit, one that is currently pending and progressing well. In response they launched a media smear-campaign on national and international news outlets, one that promoted their *anonymous* GoFundMe webpage. The goal of their attacks: to maliciously mystify and profit from my person. One article from *The Daily Mail* titled "The world's most vilified man [with] dark episodes in his past..." claimed that I had stalked women. That the rag failed to present any evidence in support of its allegations did not matter. All they had to do was quote *anonymous* and fictional persons without any evidence and misrepresent a picture of me when I was legally and reasonably investigating the residence of an *anonymous* Facebook user while she was being properly served my lawsuit by a third-party:

<https://www.dailymail.co.uk/news/article-13305141/stewart-lucas-murrey-sue-women-social-media.html>

It did not matter that all their allegations were false. It did not matter that I had never stalked a woman in my life. It did not matter that my *anonymous* enemies had no evidence. It did not matter that I have never been charged, much less convicted of any crime my entire life. And it did not matter that my lawsuit and search for justice continues. *Anonymous* employees and *anonymous* algorithms at Google indexed their *anonymous* publications such that my name and reputation would never be free. Thus the goal of this article: Here I explain who I am and what I suspect happened to me.
